

# SURF – PRO

TIME SAVER SURFACE CLEANER

## TECHNICAL DATA SHEET

Name: **The GOO BUSTER**  
Product: Sticky residues eliminator  
Code: BO-1990

MADE IN QUÉBEC

## 1.1 PRODUCT DESCRIPTION:

Fully organic solvent combined with a very powerful surfactant to dissolve the residues of 100% polyurethane adhesive, insulating foam, silicone, adhesive such as duct tape, self-adhesive labels, etc.

**1.2 USES:** It is used both indoors and outdoors. It is safe on most surfaces and rinses easily with water.

**1.3 CHARACTERISTIC:** Ready to use, good smell of citrus, gentle on the skin.

**1.4 RESTRICTIONS :** Always test the surface to be treated. May damage latex paint, suede, rubber,

## METHODS OF USE

**3.1** For still sticky residues, spray and leave for a few moments. Wipe and rinse with water (this step will eliminate the oily effect that leaves the Goo Buster). For dry residues spray and leave for a minimum of 10 minutes. It maybe necessary to spray the Goo Buster again to completely remove the residue. Then rinse with water.

## SAFETY MEASURES:

Avoid all contact with skin and eyes. Keep out of reach of children. Keep unused containers closed

**First aids:** Refer to the MSDS.

## TECHNICAL INFORMATION:

**2.1 Chemical composition:** Product based on limonene with surfactant.

**2.2 Container size:** 500 ml- 3.78 liters- 18.9 liters- 205 liters

**2.3 Appearance:** Yellow, slightly viscous liquid with citrus odor.

**2.4 Storage:** Product must be stored in a dry place and in tightly closed containers of PETE or metal.

### 2.5 Physical and chemical properties:

- Boiling Point 175 o c
- Freezing Point less than 0 o c
- Solubility in water Good with emulsion
- Vapor density (air=1) 4.7@20 o c
- Density (C) 0.85 G/cc
- Flash Point 45 o c (closed vase)
- PH 6.5 – 7.0

## NOTICE TO PRODUCT USERS:

This information is provided in good faith.

Kosmic Surf-Pro Inc. does not accept any liability for injuries caused to users of the product if the safety measures followed do not comply with the indications on the MSDS.

In addition, Kosmic Surf-Pro Inc accepts no responsibility for injuries caused to anyone who uses the product improperly or inappropriate, even if reasonable security measures have been followed. Finally, buyers and third parties accept the risk resulting from their use of the product.
